

About Camp

712 Area Basketball Camp provides comprehensive basketball training for the individual and team. Our expert staff includes some of Western Iowa's most elite coaches and players.

712 Area Basketball Camp focuses on improving the player's fundamental skills, making him a better individual and team player. Campers will receive specialized instruction on shooting, dribbling, passing, rebounding, ball handling, offensive moves as well as transition execution. Additionally, this Camp prides itself on dedicating an entire hour to fundamental drills every day.

Campers will be divided into teams that play games daily. Randomly selected teams ensure that individuals are playing with a variety of players. Teamwork, hustle, and effort are emphasized throughout games. Each player is guaranteed to play three or four games per day. Players who excel at this camp will be recognized with Awards handed out at the end of the week.

Players at 712 Area Basketball Camp will also compete in several contests designed to improve fundamentals, including *Free Throw Con-tests*, *Knockout*, *Sweet 90*, and *1 on 1*. Trophies and medals will be handed out to players who excel in these areas.
