## 3 year-old Preschool

**Our Purpose:** To provide high quality preschool meeting each child's needs. The preschool provides a rich learning environment that encourages children's natural curiosity and supports them to take risks that lead to new skill development. 3 year-olds will take part in planned, active learning experiences to build their readiness skills.

**Supervision:** A proper ratio of competent workers (1:8) will be maintained so as to give maximum attention and supervision. A certified teacher will be responsible for designing and ensuring that an appropriate curriculum is delivered.

**Location:** Room 209 in the elementary building.

**Days and Hours:** Our program will follow the regular August to May calendar schedule of Tri-Center School District.

The 3 year-old preschool program will take place in the mornings from 8:15-11:00 a.m. Parents will be responsible for transportation.

\*Students who participate in this 3-year old preschool will have the option of staying and receiving day care for the remainder of the day for an additional cost.

**Weather Cancellations:** If school is cancelled because of poor weather or other unforeseen reasons, there may be no PreSchool or Before/After Care. That decision will be made dependent on circumstances.

**Ages of children served:** A child needs to be 3 years old before s/he can take advantage of this ½ day Preschool option. Preference will be given to those students who are 3 by the first day of school; however, if a child turns three after that day, s/he will be eligible to join preschool room if there is room available. **Children must be potty-trained to attend this program.**

### **Fee Charges:**

1/2 day a.m. Preschool: \$50/week

½ day a.m. Preschool plus daycare 8-3:30: \$100/week

½ day a.m. Preschool plus daycare plus Before/After care: \$130/week

\*Breakfast and lunch would be provided but is an additional charge.

\*\*Snacks will be provided and are included in the fee.

**Health Policy:** Children must be fever-free for 24 hours to attend school. If a child has had a contagious disease, and medical clearance statement must be provided to the center or cleared by Mrs. McGee, our school's nurse, before the child will be allowed to attend.
